## **Engineer:**

Mr. Casanave was absent. An email was submitted regarding bid price for sewer relocation. No action needs to be taken at this time.

## **Solicitor**

Mr. Jones stated he has a letter for Mr. Munkittrick to be served by the Constable. The letter states that the Authority had sent a letter back on September 24, 2025 requesting a formal inspection of his water system, which was unclaimed. Mr. Munkittrick will have 30 days to contact us upon receiving the letter by Constable.

Mr. Jones stated he had got some information on the Bradford Towne Center from Mr. Strickland. Mr. Jones stated he would be following up with a letter with them. Mr. Strickland stated The Bradford Towne Center is having an issue with one of their pumps. Mr. Strickland stated we cannot do this. Mr. Strickland is getting quotes for them.

## **Superintendents Report:**

Mr. Jones brought up delinquent account with Ms. Space. Mr. Strickland discussed Ms. Space's delinquent account. Mr. Strickland stated that we have set up payment plans for her that she would need to sign and when he tries to deliver it to her, no one is there. Mr. Jones stated that we should formulate a letter and add to be served by the Constable and hopefully get some positive action.

There was a brief discussion on delinquent accounts.

**Engineer:**

Mr. Casanave requested a vote to authorize Chairman Williams to sign Penn DOT form M950-AA.

## WYSOX TOWNSHIP MUNICIPAL AUTHORITY

---

February 19<sup>th</sup>, 2026

Ms. Picket made a motion to approve to authorize Chairman Williams to sign Penn DOT form M950-AA, authorizing Stiffler, McGraw to apply for a Highway Occupancy Permit for connection of pump station NO. 5 sewer line on PennDOT right-of-way. Mr. Isaac seconded the motion.

Mr. Casanave discussed with the Board the Penn DOT blanket authorization agreement for engineering. Mr. Casanave stated that sometimes the engineer cannot access the information as they need an individual authorization from the authorities. Mr. Casanave stated that it gets frustrating. Mr. Casanave stated that this Penn DOT blanket authorization agreement would allow the designated engineer to look at files available on their website far sooner than they can now. Mr. Casanave stated the engineer would still need to be authorized. Mr. Casanave stated this would strictly give access to Penn Dot's online platform.

Mr. Them made a motion to approve PennDOT blanket authorization agreement for engineering. Mr. Isaac seconded the motion.

Mr. Casanave updated the Pond Hill Road Project. Mr. Casanave stated the Contractor expects to start late next week or the beginning of March on relocating 200 feet of sewer line. Their cost on that was \$34,000.00, which means your share is \$8,700.00. Mr. Williams stated that it was considerably less than anticipated.

Mr. Casanave updated on Penn DOT new maintenance facility. Mr. Casanave stated he was working on a final comment letter. Mr. Casanave stated that Penn DOT had a request on their sewage plan for an operation and maintenance agreement that WTMA and the Township and DGS needed to sign over the private lateral that has made its way to DGS legal. They said they are working on it.

Mr. Casanave discussed the Route 6 and 187 Intersection Project. Mr. Casanave stated he received several emails identifying 51 locations where you could have conflict with either water or sewer. Mr. Casanave stated he would need to review this more to be able to understand what the concerns were.

### **Solicitor**

Mr. Jones stated he had some resolutions dealing with updated rates and fees. The Board had a discussion on the updated rates and attorney fees for collections, which has not been updated since 2016. Mr. Jones discussed the process if there is a Sheriff's sale, who would get payments owed first.

Mr. Them made a motion to approve Resolution 01-2026. A resolution of the Wysox Township Municipal Authority, Bradford County, Pennsylvania, Adopting a schedule of Attorney's fees in connection with the collection of Delinquent Water and Sewage Accounts pursuant to 53 P.S. 7106. Mr. Isaac seconded the motion.

### **Superintendents Report:**

# WYSOX TOWNSHIP MUNICIPAL AUTHORITY

---

February 19<sup>th</sup>, 2026

Mr. Strickland stated he has been busy with headworks. Mr. Strickland stated we were getting a lot of wipes at pump station 4. Mr. Strickland stated the we are going to take a reminder letter to the door of about 30 customers.

Mr. Jones stated he would like to thank Mr. Strickland and TMA. Mr. Jones stated he had a water line break and they were right there. Mr. Strickland stated we have been very busy recently and he gives 100% credit to the water crew.

## **Treasurers Report:**

Mr. Them presented the budget worksheet for 2026. Mr. Them discussed the changes in interest rates, water and sewer sales, and other expenses.

The Board had a discussion on raising the rates.

Mr. Them proposed to amend the following:

Mr. Them proposed to raise the water rate from \$15.24 per 1,000 gallons to \$16.74 per 1,000 gallons

Mr. Them proposed to raise the sewer rate from \$15.81 per 1000 gallons to \$17.31 per 1,000 gallons.

Mr. Them proposed to raise the Sewer Flat rate from \$63.24 per Edu/month to \$64.74 per EDU/month.

Mr. Them proposed to raise Water and Sewer Base Rate for 0-1,000 gallons from \$65.90 to \$68.90.

Mr. Them proposed to raise Ready to Serve Charge from \$65.90 to \$68.90.

Mr. Isaac accepted the amendment as proposed.

Mr. Them seconded the motion. Motion was carried.

Mr. Jones asked that the board consider an increase of the inspection fee. Mr. Jones recommended from \$150.00 to \$300.00.

Ms. Pickett made a motion to approve Resolution No. 2-2026. Mr. Them seconded the motion.

## **Other Matters:**

Mr. Them wanted to have a discussion on the potential impact of Data Centers. Mr. Casanave discussed some of the challenges of predicting water usage for Data Centers. The Board continued to discuss the need to assess the impact of Data Centers on the water sewer system. It was emphasized the importance of clear ordinances to ensure compliance and protect the water supply.

## **Adjournment:**

Motion was made to adjourn the meeting by Mr. Them. The meeting was adjourned at 11:00 am.

Respectfully Submitted,

**Engineer:**

Mr. Casanave confirmed the water meter grant contract could only be used exclusively for meters. Mr. Strickland inquired about starting purchases. Mr. Casanave advised to wait a week or two for the agreement to be effective. Mr. Isaac inquired about the Grant's duration. Mr. Casanave stated it would last 3 years, ending in June 2029. Mr. Casanave stated he would make sure Mr. Williams was aware. Mr. Casanave stated it would be good to vote on authorizing Mr. Willams to sign, so there is a record that it was decided to move forward.

Mr. Them made a motion to vote to sign for Commonwealth Financing Authority Grant Contract No. C000096841- Water Meter Replacement.

Mr. Casanave stated he had another voting item to discuss and possible vote to sign the Operation Maintenance Agreement between WTMA, PennDot and Department of General Servies for new PennDot Facility. Mr. Casanave explained the need for an operation maintenance agreement with PennDot for their new maintenance building. Mr. Casanave clarified the agreement does not obligate the authority to maintain the lateral other than something that you would ordinarily be involved with if you had a residential customer. Mr. Jones explained the term Sovereign Immunity.
