

## **Towanda Municipal Authority Water Service**

### **Problem Corrected- Boil Water Advisory is lifted**

**February 4, 2026**

On Friday January 30, 2026 your water service was interrupted and a emergency repair was conducted on Friday January 30, 2026. Out of an abundance of caution the Towanda municipal Authority issued a boil water advisory.

Today the results of follow up analytical testing has confirmed that your water service is safe. The boil water advisory is now lifted. If you have any questions, please call Tobias Nagle TMA Operator 814-414-5837
