

## **Towanda Municipal Authority**

### **Water Service- Water Main Break**

**Friday January 30<sup>th</sup>, 2026**

On Friday January 30, 2026, a water main break occurred in the Northern Towanda area in the vicinity of 315 James Street, affecting 80 customers. Repairs began immediately to repair the line. Residents are advised to boil their water prior to consumption. This boil water notice is issued as a best management practice and out of an abundance of caution. The boil water notice is expected to remain in place for at least 48 hours. Residents will receive follow up notification when the boil water advisory is lifted.
